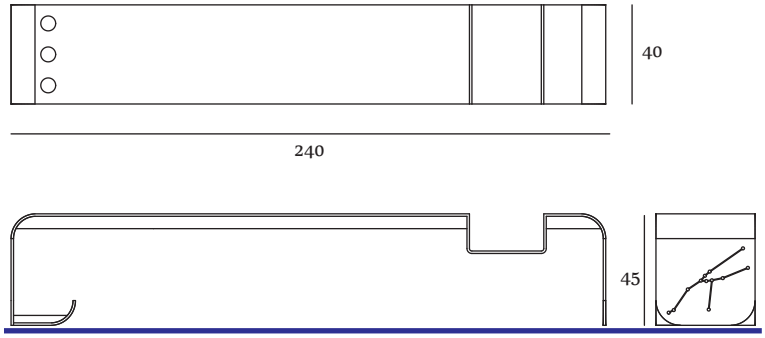
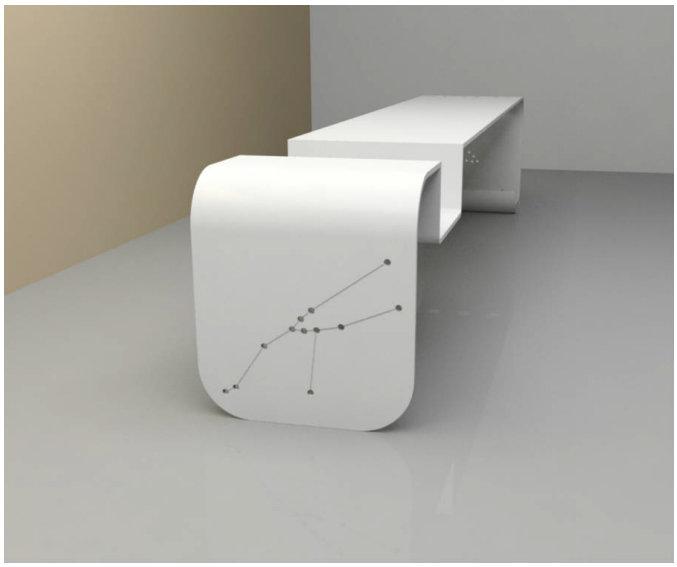
SAMANTHA panca

materiali | monoblocco in acciaio vernicato

dimensioni | piano 40x240cm
altezza 45cm





La panca "Samantha" è un monoblocco in acciaio con parti traforate ed incise con i simboli dei segni zodiacali ripresi dalle mappe stellari.

Pensata come seduta d'ingresso per ambienti di lavoro o come espositore per ambienti commerciali la panca è interamente realizzate in acciaio: il suo profilo ad angoli retti e linee curve conferisce leggerezza ma garantisce solidità.

Le lamine che sorreggono la panca sono personalizzabili; vi si possono incidere i simboli dei dodici segni zodiacali.
